Outdoor Adventure Program

“Not just an experience, an education”
The Challenge Begins...

The Kalamunda Senior High School Outdoor Adventure Program is designed to enhance the learning of students in an Outdoor Education context. All students participating in the program will experience a curriculum that integrates what they learn in English, Mathematics, Science and Society & Environment with what they learn in Health and Physical Education. Key elements of the program include:

- Base knowledge and skills from Health & Physical Education Learning Area
- Integration of other curriculum areas
- Practical engagement of students in a “hands-on” curriculum
- Personal fitness and healthy lifestyles focus
- Expeditions
- Stage 1 Outdoor Education Studies

History
Kalamunda Senior High School has a strong history of Outdoor Education opportunities being offered to students who attend the school. This history includes a place on the Blackwood Marathon Hall of Fame for nearly 20 years of involvement by students, parents and staff in this major South West event. Additionally, students from Kalamunda have participated in the Junior Avon Descent, Wilderness Adventure Program, Triple Challenge and a range of other outdoor pursuits.

Proximity
Kalamunda Senior High School is ideally located to take advantage of many recognised outdoor pursuits. The school is less than 500 metres from the Northern Terminus of the world renowned Bibbulmun Track which runs 957km from Kalamunda to Albany. Within several kilometres of the school is Stage 1 of the Munda Biddi Trail which is used for mountain biking between Mundaring and Collie (with planned expansion to Albany over the next few years). Other significant outdoor adventure venues in close proximity to Kalamunda Senior High School include:
- The Hills Forest, the Zig Zag, Jorgensen Park,
- State Forest Areas including Bickley Reservoir and many other heritage trails.

Community
The school is a community within a much larger community. To be successful, the program will rely on the involvement of members of the school community including parents and teachers, and the wider community (as mentors, patrons, sponsors and/or supporters).

Activity
The following are a list of outdoor pursuits that may be offered to students as part of the program:
- canoeing/kayaking, mountain biking, bush walking, bush navigation, aboriginal culture, roping, tenting, fitness training, food preparation, first aid training, swimming certificates, community service, fundraising, expeditions plus much more.
Are you the right student?

This program will suit students who:

- Appreciate the natural environment
- Enjoy physical activity (particularly outdoors)
- Have a good work ethic
- Can work with others in a team environment
- Participate in community service
- Show an ability to develop and apply skills and knowledge in challenging situations.

National Statement on Outdoor Education

Through interaction with the natural world, Outdoor Education aims to develop an understanding of our relationships with the environment, others and ourselves. The ultimate goal of Outdoor Education is to contribute to a sustainable community.
