PERFORMING ARTS PROGRAM

Following 30 successful years of an outstanding GATE Visual Arts Program, we are now offering a Performing Arts Program. This commenced for Year 8 students in 2012 in Dance, Drama and Music.

The Performing Arts Program will promote and develop excellence across the performing arts. It also provides pathways through the Middle and Senior School for students who wish to enrich their learning through the development of arts ideas, skills and processes and creative and critical thinking.

Kalamunda Senior High School has a 250 seat Performing Arts Centre, excellent Music facilities and Dance Studio. Students will work across the three Performing Arts disciplines and will be able to specialise in one or more of these as they progress through the school.

Potential candidates should have a passion for Performing Arts but do not need to show proficiency in all three of the disciplines.

Students develop skills through practical workshops and the program provides pathways leading to W.A.A.P.A, TAFE & university entry for those wishing to follow a rewarding Arts career.
ABOUT THE PROGRAM
