School uniform policy
In 2001 the Kalamunda Senior High School Council endorsed the introduction of a full school uniform rather than a dress code. This endorsement came after a survey of all families who overwhelmingly supported the introduction of a school uniform policy. The school expects our students to be proud of their appearance and wearing the uniform is both a condition of enrolment and is necessary for students to maintain their Good Standing.

Physical Education
Students require a change of clothing for every Physical Education lesson. The clothes should be appropriate to the activity and in house colours. The Physical Education Department’s dress code consists of:-

- House shirt (Draco, Phoenix, Orion, Pegasus).
- Black shorts (summer) or tracksuit pants (winter).
- Hats and SPF 15+ sunscreen are essential for outdoor activities as well as a water bottle during summer.

Students who adhere to this PE dress code are eligible to receive special privileges such as membership of school teams and attendance at one-day carnivals. However, students who do not come to PE classes in the dress code will still be expected to participate fully.

Physical Education clothes are not to be worn at any other time including before school.
