KSHS Music going from strength to strength

Wasn't the Mid-Year Concert fantastic! It's amazing the breadth of talent being developed at KSHS. Congratulations to all the Music Directors. Special thanks to Mark Luderman for running the second stage.

It's Week 10, so make sure your child comes along to the last band, ensemble or choir practice of the term. Then it's time for parents to take a well-earned break. Your kids might forget to thank you for all the early morning drop-offs and late pick-ups, for getting their uniforms ready and nagging them to practise - but we won't!
THANK YOU

Regarding practice: it's that time of year when shorter days and exam study has kids reluctant to keep up their musical studies. In response to parent requests, Marcus Roberts has put some notes together to help parents encourage their children:

[A note on practice](#)

Have a lovely and safe holiday. See you in Term 3.
