### General Information

A parent or legal guardian applying to enrol a child in Kalamunda Senior High School should complete this form. (Only permanent residents of Australia and those children holding approved visa sub class numbers are eligible to be enrolled in government schools.)

This is an *Application for Enrolment only* – *submitting this form to Kalamunda Senior High School does not mean that the enrolment has been accepted.* The principal will firstly need to determine if there is classroom accommodation and an appropriate education program for your child at the school, and to fully consider the information provided in Section 3 on the application form.

It is a requirement of the Education Department that any information on suspensions and exclusions must be provided to Kalamunda Senior High School at the time of applying to enrol a child. This information will help us to provide your child with appropriate support, if required. Children currently under suspension from any government school cannot be enrolled at another government school until the suspension period is over. Children who have previously been suspended or excluded from a government school may be required to enter into a behaviour agreement if enrolment is accepted.

You will be notified by the school Principal if your application has or has not been accepted at the earliest possible opportunity.

*If your application is accepted, you will be required to complete enrolment procedures at the school. Parents/guardians should ensure that their child's birth certificate, immunisation records, school reports, records from previous school, and any Family Court orders or parenting plans registered with the Family Court, are made available at the time of enrolment.*
