President's Report

- Report tabled
- Mid-Year Concert and Music camp had to be cancelled. Students had really looked forward to these events and were disappointed that they could not happen.
- Deposit for music camp rolled forward for next year.
- Mrs. Helen Deacon (Principal) and MR have written a new school song to celebrate the School's 60th year – this is being rehearsed by Choir, Guitar and String ensembles and will also be played by the bands once parts can be arranged.
- KSHS has won a grant to build a shelter/awning in the Main Quad similar to the one adjacent to the canteen. This will provide an ongoing facility to kids in the Main Quad, but also covers the area Music uses as a stage during the Twilight Concert and will provide a sound shell-like function for concerts.
- More students than ever are going on to further music studies after year 12 (after the completion of their Cert III Music Course). This year we congratulate Phorcita Sullivan who has been accepted into the Bachelor of Music course at UWA. Other students to audition for further study are: Josh Stanley-Hart, Poppy Ben Ary, Lily Beahan, Annalise Stevens, Paris Johnston, Asha Vivian and Jamie Cale.

Treasurer's Report

- Balance of account \$3205.37 – Carried forward from 17 Feb 2020
- Petty cash from sales of performance uniform shirts now stands at \$11.80.

Business arising from last minutes:

- Need replacement PA system after break-in. Some discussion about how this could be funded (given very limited opportunities for fund-raising this year). MR to investigate possible costs.
