APPLICATION FOR ENROLMENT

General Information

A parent or legal guardian applying to enrol a child in Kalamunda Senior High School should complete this form. (Only permanent residents of Australia and those children holding approved visa sub class numbers are eligible to be enrolled in government schools.)

This is an **Application for Enrolment only – submitting this form to Kalamunda Senior High School does not mean that the enrolment has been accepted.** The principal will firstly need to determine if there is classroom accommodation and an appropriate education program for your child at the school, and to fully consider the information provided in Section 3 on the application form.

Applications for the first round of offers for Year 7 are accepted any time during the year before attending until the closing date. This is usually the last Friday in July. Applications after this date will be considered on a case by case basis, in accordance with the *Enrolment* policy and classroom availability.

If your application is accepted, you will be required to complete a full enrolment package and other enrolment procedures at the school. Parents/guardians should ensure that their child's birth certificate, immunisation records, school reports, records from previous school, and any Family Court orders or parenting plans registered with the Family Court, are made available at the time of enrolment.

If your Application for Enrolment is not accepted, you will be advised in writing within 3 weeks of the advertised closing date for applications.

It is highly recommended not to purchase items such as uniforms until you receive confirmation of enrolment.

It is a requirement of the Education Department that any information on suspensions and exclusions must be provided to at the time of applying to enrol a child. This information will help us to provide your child with appropriate support, if required. Children currently under suspension from any government school cannot be enrolled at another government school until the suspension period is over. Children who have previously been suspended or excluded from a government school may be required to enter into a behaviour agreement if enrolment is accepted.

If your child has gained enrolment from outside the local-intake area into a Gifted and Talented program, their siblings will not be guaranteed enrolment in the school.

For a student with a disability who has significant and complex support needs, the principal will negotiate with the parent/responsible person the day on which the student will begin attending if the necessary teaching and learning adjustments are not immediately available at the time of enrolment.

Transport

If you are enrolling from outside the Kalamunda Senior High School intake area, you will need to organise any transport that is required.

Appeals

You may appeal against the school's decision regarding enrolment of your child. Prior to submitting an appeal, it is recommended that you contact the principal or the Manager District Operations at the Education Office (Ph: 9336 9563) to discuss your grievance informally.

The appeal should be on the appropriate form, and should be directed to:

South Metropolitan Regional Education Office

184 Hampton Road
Beaconsfield WA 6162

OR

PO Box 63
South Fremantle WA 6162

Different appeal provisions exist for students with an intellectual disability. Full details are available from the school or the South Metropolitan Regional Education Office.
