

President's Report – Tuesday 18th February 2025

I am looking forward to another year of being part of the KSHS P&C.

Linda has resigned as manager of the canteen but will continue as a casual employee so we will not lose her culinary and catering skills. Nicky will be stepping up as manager so the transition should go smoothly.

The new online ordering system for the canteen – Spriggy, is now up and running. Please get the word out.

We will be continuing with our EAT! Project and the events that are included under that banner starting with the Year 7 Parent Information Night.

The P&C will again be part of the Kalamunda Show with a second-hand book stall. It is a fantastic way to connect with the wider community with a great atmosphere. We shall send out a request help and for donations of books closer to the time.

The Athletics Carnival is another event to look forward to with the P&C putting together a fundraising sausage sizzle. It is wonderful to see everyone having a great time in a more informal setting.

Iain will be resigning as Treasurer as of the AGM. Thank you Iain for your efforts.

The AGM is our next meeting, and I encourage you to think about nominating for one of the Office Bearer positions – President, Vice President, Treasurer and Secretary. There is also the Executive team to be part of. These positions are required to be filled to enable the running of the P&C.
