WISDOM & COURAGE

OLIVIA KALIN

Movement of the land, 2022

synthetic polymer paint on canvas
60 x 169 x 2 cm

Kalamunda Senior
High School

My artwork is a two-piece painting expressing the transformation of the land. While allowing for free-forming shapes, I also used traditional Central Australian First Nation dot painting techniques and other symbolic markings to create meaning. The flowing brush strokes and bright colours depict the evolving presence of Whadjuk land that was created by the Wagyl. The warm reds symbolise the mountain ranges of Whadjuk land. The bright yellow shapes represent the land below and surroundings. My artwork has been influenced by Dreaming Stories that have been shared by my elders and my personal perspective of the always evolving Whadjuk land.

Year 12 in 2027

Information for 2025 Year 10 Students and their Parents
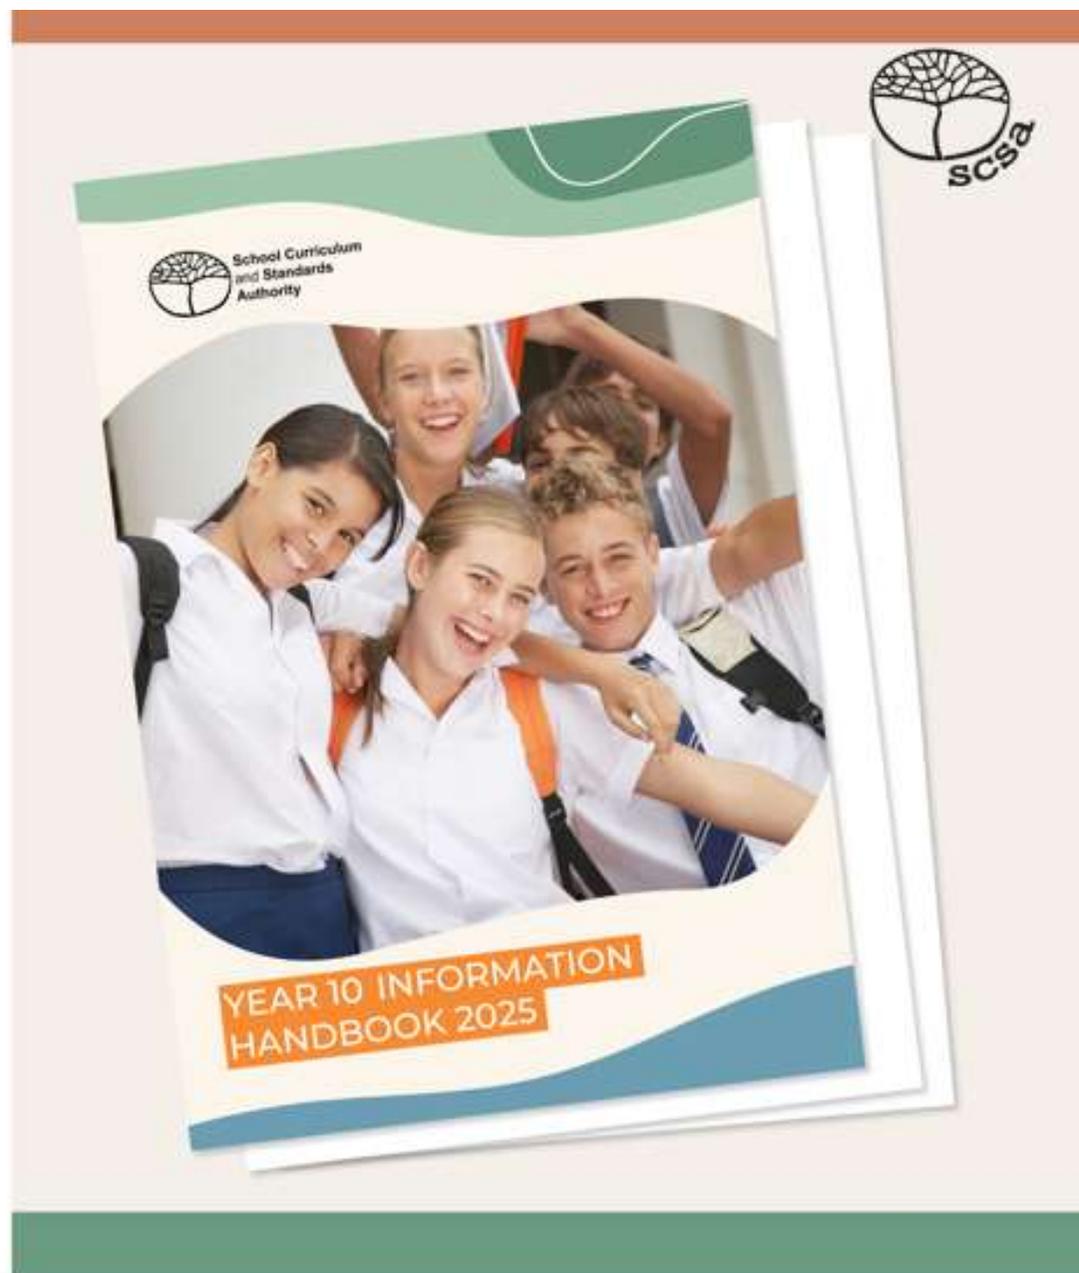

Guide to key abbreviations

Abbreviation	Full term
ATAR	Australian Tertiary Admission Rank
OLNA	Online Literacy and Numeracy Assessment
SRMS	Student Records Management System
the Authority	School Curriculum and Standards Authority
TISC	Tertiary Institutions Service Centre
VET	Vocational Education and Training
WACE	Western Australian Certificate of Education
WASSA	Western Australian Statement of Student Achievement
WASN	Western Australian student number

The WASSA – All students

All students receive a Western Australian Statement of Student Achievement (WASSA) when they complete Year 12.

The WASSA:

- formally records a student's achievement in every course, qualification and program that the student has completed in senior secondary schooling

- provides evidence of achievement.

The WACE

- The Western Australian Certificate of Education (WACE) is awarded to students who have successfully completed senior secondary schooling in WACE studies and have <mark>met the WACE requirements</mark>.

- The majority of students in Western Australia achieve the WACE.

- Study towards the WACE can be undertaken over a lifetime.

WACE requirements

Students must:

- complete one of three course combination options
  - complete at least four Year 12 ATAR courses* OR
  - complete at least five Year 12 General courses and/or ATAR courses or equivalent OR
  - complete a Certificate II (or higher) VET qualification in combination with ATAR, General or Foundation courses
- demonstrate the literacy and numeracy standards
- meet the requirements for breadth and depth of study
- meet the achievement standard.

Literacy and numeracy standard requirement

Students must demonstrate minimum standards of literacy and numeracy by either:

- demonstrating the standard through the Online Literacy and Numeracy Assessment (OLNA); or

- pre-qualifying in reading, writing and numeracy in their Year 9 NAPLAN and being exempted from that component in the OLNA.

Breadth and depth requirement

Students must complete a minimum of 20 units or the equivalent, including:

- a minimum of ten Year 12 units or the equivalent
- four units from an English learning area course, post-Year 10, including at least one pair of Year 12 units from an English learning area course
- one pair of Year 12 units from List A
- one pair of Year 12 units from List B.

Achievement standard requirement

Students must achieve <mark>14 C grades</mark> or higher (or equivalents) in Year 11 and Year 12 units, including at least <mark>six C grades</mark> (or equivalents) in Year 12 units.

Study options

Students are offered three study options which they can <mark>mix and match</mark>:

- WACE courses (four course types – ATAR, General, Foundation and VET industry specific)
- VET programs
- endorsed programs.

Australian Tertiary Admission Rank (ATAR) courses

These courses:

- are ==examined== by the School Curriculum and Standards Authority (the Authority)

- are used by the ==Tertiary Institutions Service Centre== (TISC) to calculate a student's Australian Tertiary Admission Rank (ATAR).

There are written examinations for all ATAR courses.

There are practical examinations for some ATAR courses. Students must complete both examinations in these courses.

Completing ATAR courses

Students enrolled in a Year 12 ATAR course pair of units are required to sit the written and, if the course has one, practical examination.

<mark>Students who do not sit the examination</mark> will not:

- have a course mark or grade recorded on their WASSA

- receive an ATAR course report

- have the pair of units completed in that year contribute towards any of the WACE requirements.

General courses

These courses:

- are not externally examined
- have an ==externally set task== (EST) which is set by the Authority
- are designed for students who are typically aiming to enter further vocationally based training or the workforce directly from school.

Foundation courses

These courses:

- focus on functional literacy and numeracy skills, practical work-related experience and personal skills

- are not an alternative senior secondary pathway

- are for students who have not been able to demonstrate the minimum standard for literacy and/or numeracy before Year 11 and who require significant support

- have an externally set task (EST) set by the Authority.

VET Certificate courses

These courses are ==run at school by our teachers== in partnership with a Registered Training Organisation (RTO):

- On completion - students receive an Australian Qualification Framework (AQF) certificate.

- These can count for WACE requirements (unit equivalence)

- They can be used as pre-requisites and entrance to TAFE and other training pathways

VET contribution to the WACE

- As part of the minimum WACE requirements, a student may complete a Certificate II or higher in combination with ATAR, General or Foundation courses.

- Studying VET can provide up to eight units towards the number of course units students need to complete to achieve their WACE.

- Students will typically enrol in four or five additional ATAR, General or Foundation courses to meet the WACE requirements.

- Students who enrol in a Foundation course must also complete a Certificate II or higher to achieve the WACE.

VET and the WACE

Standard

VET credit transfer reduces the number of course units in which a C grade is required.*

VET industry specific courses contribute in the same manner as a C grade or higher in other WACE course units.

Breadth

VET industry specific courses or VET credit transfer programs do not contribute to the breadth requirement.

Depth

VET credit transfer contributes towards the depth requirement as unit equivalence.*

*A maximum of eight unit equivalents can contribute towards the WACE (standard and depth requirements) if completed through a VET credit transfer arrangement.

Endorsed programs

These programs:

- provide access to areas of learning not covered by WACE courses or VET programs and contribute to the WACE as unit equivalents
- are for students wishing to participate in programs that are delivered in a variety of settings by schools, workplaces, universities and community organisations.

Endorsed Programs – Kalamunda SHS

This endorsed program can be added for students:

- Work Place Learning
  - during Year 11 and 12 exam week
  - twice a year across Year 11 and 12
  - 55 hours – 1 unit equivalent
- Students already working a part-time job
- As part of a VET industry course

Changing courses and withdrawing from courses

- Changing means students replace one course enrolment with another.

- Withdrawing means students are no longer studying a course.

- If students withdraw from a course in Year 12, their enrolment course for the year is not recorded on their WASSA. This means no credit is given for the work done for the year's units prior to dropping the course.

- The Authority publishes dates about changing enrolments in its *Activities Schedule*.

Pathway courses and pre-requisites

The programs our school is offering can be found on our website:

kalamundashs.wa.edu.au

ENGLISH LEARNING AREA

LIST A and LIST B Courses offered for Year 11 and 12 2026

Students must choose **at least one** course from each of the lists:

LIST A		LIST B	
CAE	Career and Enterprise	AIT	Applied Information Technology
CFC	Children, Family and Community	BLY	Biological Sciences
DAN	Dance	CHE	Chemistry
DRA	Drama	DES	Design
ECO	Economics	FST	Food Science and Technology
ENG	English	HBY	Human Biological Science
ELD	English as an additional language	ISC	Science in Practice
GEO	Geography	MDT	Materials, Design & Technology
HEA	Health Studies	MAA	Mathematics Applications
LIT	Literature	MAE	Mathematics Essentials
MPA	Media Production and Analysis	MAT	Mathematics Foundations
HIM	Modern History	MAM	Mathematics Methods
PAL	Politics and Law	MAS	Mathematics Specialist
VAR	Visual Arts	OED	Outdoor Education
		PSY	Psychology
		PES	Physical Education Studies
		PHY	Physics
		SIP	Science in Practice

It is very important when selecting a course that attention is paid to **minimum entry requirements.**

It may not be possible to timetable courses if they are chosen by a very small number of students.

Ensuring success

- ATAR courses
- Pre-requisite grades
- Report - attitude, behaviour, effort (ABE)
  - Well organised and prepared for learning
  - Actively participates in the learning
  - Meets deadlines
- OLNA – qualified and NAPLAN – Exceeding – or 'strong' (approx >570)

Ensuring your success

Pre-requisite grades, ABE expectations and NAPLAN scores for ATAR courses

Minimum Entrance Requirements for each course are included below and in each of the course descriptions. These are stated to help you choose appropriate courses in which you should succeed – provided you work hard.

The following grades should have been achieved, along with Pre-qualified rating for OLNA due to Year 9 NAPLAN. ABE's need to show consistently for; Is well organised and prepared for learning, Actively participates in learning and Meets deadlines.

ATAR Course	Prerequisite Grade from Year 10 subjects	Prerequisite subject/s

Selections - Year 11 2026

SSO opens 1pm Friday 4 July and closes 9am Friday 8 August. Please bring your selection report to your course confirmation interview. If resetting your password: please use the email address to which information about selections was sent. Please read all instructions carefully.

Kalamunda Senior High School

Course Preferences Year 11 2026

All current Year 10 students are required to complete this selection process.

The close-off date for selections is 9am Friday 1 August 2025. Please print your **selections report** before this time to avoid lock out.

Read the instructions at each step of this form carefully before making your final selections.

If using a mobile device, scroll up and click *Show Answers* at the top right of your screen if you cannot see the *Your Selections* window.

1. Are you returning to Kalamunda SHS for Year 11?

If **returning or unsure:**

- indicate your plans for after you have completed Year 12
- complete all remaining questions
- book your appointment

If **not returning:**

- indicate the name of your new school or arrangement (eg. TAFE, apprenticeship / traineeship, full-time employment)
- see Choices handbook - School Leaving Age - for what to do if you're undertaking an alternative arrangement
- go directly to **Book your appointment**

☐ Yes - I WILL be returning next year. My plans after Year 12 are:

☐ No - I will NOT be returning next year. Preferences will be autofilled as Not Returning

☐ Unsure - complete remaining sections

Course Preferences

- You MUST select at least one course from each of **List A** (Arts/ English/ Languages/ Humanities) and **List B** (Mathematics/ Science/ Technologies)
- You MUST select an English and/or English Literature course
- ATAR/ GENERAL/ VET students may select a certificate course
- Students who enrol in a Foundation course must select a certificate course
- Students who have not successfully passed a component of **OLNA** will be required to study the Foundation course in that area. A ⭐ will appear beside the required Foundation course/s
- To select a course you should be expecting to meet the **minimum entry requirements,** as outlined in Choices, by the end of Year 10
- It is your responsibility to ensure that your selections qualify you for any future course or desired career and that these units are appropriate given your previous achievement. Information on University entrance requirements is available from the **TISC** website
- Any changes you make to your course at a later date must also meet the above requirements
- Although the school makes every effort to accommodate students' choices, courses which are not viable may result in some students having to re-select. They will be informed and re-counselled should they be affected in this way

Please refer to the Choices booklet for course outlines and estimated costs.

Note: ATAR courses are listed first, followed by certificates, then General courses.

Booking your course confirmation appointment

✓ Book your appointment

⊘ Appointment

To book an appointment, click the dropdown box below

No times available ▾

Your Course Counsellor will be assigned on the day

You are required to make an appointment with a counsellor even if you are not returning next year.

⊘

Please generate and print your selection report from **Your Selections** to the right of your screen. These forms should be signed by you, and a parent, and brought with you to your course confirmation interview.

An emailed copy can also be requested from **Your Selections** for your own reference.

If using a mobile device you may need to click **Show Answers** at the top right hand corner of the screen to view Your Selections.

Selection report

You can generate a selection report with all your selections to bring with you for your course confirmation appointment
