

President's Report – P&C General Meeting 10th June 2025

During the last few weeks there has been a bit going on behind the scenes.

Natalie and I put our heads together and updated our P&C details on the WACSSO website with the requested information. This included, but not limited, to office bearer details, number of volunteer hours and financials. We also submitted details to ACNC required to maintain our charity status.

I wish to again thank Natalie for her time and mental effort in her dual roles as Treasurer and Secretary. Hopefully we will be able to fill the Secretary role soon.

Our EAT! Project caught the eye of the WA Health Promoting Schools Association and Foodcore. Late last year we were asked whether we would be willing to take part in their Case Study titled "What is a health promoting school." As we had not yet started on the implementation phase this was put to one side. Sue from WAHPSA got in touch with us again and advised of an end of May deadline. As sometimes happens, this coincided with both Amy and I being absent. On her return from overseas Amy put together the required information. (Thank you) This was sent, along with photos, the EAT Logo and video to Sue and Amanda (Foodcore) early this week.

Note that the positions of Secretary and Vice President are still vacant. To date we have tried to fill these positions by putting posts up on the Kalamunda SHS Parents Only Facebook page, in the school newsletter, at meetings and via word of mouth.

Andrea Doust
KSHS P&C President
